Valentine's Day at Caslan School

Valentine's Day is always a fun day at School. In order to keep everyone safe and healthy, with **AHS COVID** safety requirements in mind, we are asking parents to send in their Valentine's cards on or before Feb. 5. This will allow the 72-hour quarantine requirements to be met before they are handed out. If you are adding candy to your cards, it needs to be store bought and store packaged and needs to be sent in by the same date. Thank-you for your understanding as we strive to keep everyone safe at Caslan School.

Cross-Country Skiing and Recess

We are so lucky to have a Cross-Country Ski Program at Caslan School.

The children are enjoying skiing and playing outside in the snow.

The children will go outside when the temperature is -20 or warmer.

Please make sure that your children enjoy these activities when they are dressed for the weather.

Please make sure your children come to school dressed for the weather each and every day, so they can enjoy their time outside.

If your child needs winter clothing, please let your child's teacher know, as we have lots of mittens to share.

February is also National Random Acts of **Kindness Month**, making it the perfect opportunity to reinforce compassion and empathy in your child. Performing a random act of **kindness** is exactly what it sounds like: deliberately attempting to brighten someone else's day by doing something **kind** for no specific reason.
