Jr. High Students from Caslan School travelled to Lac La Biche to take part in the LSAA ward badminton tournament. We had six of our students place in the top three in their categories. All the students had a great time and were excellent representatives of Caslan school.

Some Great things to celebrate at Caslan School this month.

We were so excited to bring back Caslan's got Talent and the students performed their wonderful talents. Thanks to all the families that attended.
